NC Republican says vote to take away health care from 500,000 had to be today or ‘terrorists win’

Putting salt in the wound on this somber day, Rep. Saine used the most hideous defense you can imagine. He told reporters that if they hadn’t held a secretive vote this morning, on the anniversary of 9/11, the terrorists would have won. Here’s his exact, disgusting quote: “As a former firefighter and an American, I am appalled that anyone in our country would stop going about their normal business on this day. When we stop being a beacon of freedom, hope and democracy, then the terrorists win.”

…half million people, 500,000 people lost their healthcare in North Carolina on 9/11 by a vote by the republicans while the democrats were at a 9/11 remembrance ceremony…this is domestic terrorism, plain and simple…these people are sick, ugly sick, perverted and insane to treat their fellow countrymen in this manner…we are better than this…don’t ya think?…republicans are repulsive…
