%2Fwww.dailykos.com%2Fstory%2F2021%2F1%2F11%2F2008124%2F-DISEASE&text=DISEASE)

The coronavirus is a parasite without direction, without leadership if you will. It has no grievance against particular individuals or geographical locations. It has no politics. It just wants to feed and spread and kill.

The Trump virus on the other hand does have all of those grievances. The wealthy who support and enable him do so out of their exceptional greed. Their mindless desire to promote any circumstances no matter how illegal or immoral to further promote their need for more wealth and power and control. No matter the consequences to those not on their "level."

The poorly uneducated follow and abet the Trump disease because they are angry and in pain. Hurting and disadvantaged by the injustice and inequality of our world. Their dysfunctional brains easily perverted into believing that the evil trump virus is the cure. These poor fools are so far gone, so willingly self brainwashing themselves that they cannot, will not see this evil monster for who he really is. Enraged they are unaware of how trump himself and his political enablers goad them to violence while they hide. Laughing cheering them on.

And now, in the face of their promoted and encouraged coup attempt on our democracy, having initiated an attack on the very government they all took an oath to preserve and protect, the sniveling cowards are trying to pretend we can't see with our own eyes, hear with our own ears exactly who they are while they try to pretend it was some other hate inspired group. Deplorably trying to save themselves, now that they failed by saying prosecution of their high crimes will divide the nation and inflate the very hatred they have authored.

The despair, grief, loss, anxiety and fear, even terror inspired and inflamed by the pestilence that is trump is far worse than that inspired by the coronavirus. The coronavirus does not destroy by choosing to do so. It is a mindless parasite, and while the Trump followers are also dangerously mindless, their leaders, their provokers are not.

The Trump zombies are determined to kill our country, our democracy and now, obviously any one who is opposed to them.

Nothing was done to stop the coronavirus. And look where we are!

This highly contagious virus rapidly infecting us with sickness and death. Completely altering what was our normal life.

We cannot just hold our noses and wait for January 20th. We must cure our country of the trump virus. Everyone without exception must be arrested, judged legally by their peers and expelled permanently from the government they all tried to overturn with violence.

There is not a moment to lose. This is the vaccine. The cure for the pestilence of trump. We must not delay and we must persevere no matter how long it takes.

And don't forget it only takes two doses to prevent COVID 19. The doses needed to repair the other? Infinity?
